SUNSET ROCK

A Generate Church

**To know Jesus and make Him known
through worship, fellowship, and
engagement in the community.**

Hello Sunset Rock

Welcome to the Easter weekend.
To life with Jesus, crucified and risen.
Greg Pearce with Izzy Rogers

PRAYER

Lord Jesus Christ, risen from the tomb, who left behind the place of your burial and the clothes you were buried in, you were frighteningly alive. I have feared death. I have not been able to tough my way through it, even the honest thought of it. All my life I have feared to die. And I prepare myself for sleep tonight. And hope that I shall sleep soundly and blot out all the matters of the day that will disturb me. Sleep will be sweet, if I get it. But you awaken me. By your resurrection you call me to life. To alertness to your life, to an energy and a vitality. To a new future. To witness. To see you, hear you, meet you, follow you. Not to my sentimental daydreams or night-time dreams but to where you are to be met. Oh, let me find in you, in your life and in your leading, in following you, and in obeying you, may I find my own richest treasure and my own fullest life.

(From Prayers in the Night, Greg Pearce)

A DEVOTION WORTH SHARING

S

John 12:36: While you have the light, believe in the light, so that you may become children of light.

O

Believe in the light = believe in Jesus! And live that way! Live true to Jesus.

A

For me that has to mean submitting my lifestyle to him. My daily life needs to flow from Jesus. That's an endless list of little differences. Little, but all real.

P

Risen Lord Jesus, sensitise me to the little tug and pull of your Spirit in the little things, the fractions, my small decisions and attitudes as well as in my fundamental life decision to be yours. Shine your light into every crevice of my life.

Have you written a SOAP or a devotion arising from the daily readings, something that you think is helpful for others as well as yourself? We would like to see it and consider it for publication. Please send it to Izzy or Greg.
